13) The point is not, so simple as represented in the above note. When the Trust Board has formed a road and improved the area, the neighbouring lands have automatically increased in value. These lands must be sold by the Board after forming them into sites or the increase in value or betterment fee must be recovered from the party. Therefore, 1 acre and 5.97 guntas of land may be left to the party with instructions to pay conversion fine and betterment fees to be fixed by the Board. After this question is decided, the question of withdrawing from acquisition will be considered.

14) Secondly, there was a proposal to give some land in exchange in S.No.4 of Bhogenahalli Village. The Chief Minister is said to have instructed the Chairman that the portion of S.No.4 of Bhogenahalli proposed to be granted to Sri N.Rudriah may be reserved as it is required for locating the Central Industrial

Subject:- Grant of land to Sri N. Rudriah in S.No.4 Bhogenahalli Village in exchange for his land acquired for Albert Victor Road Extension, Scheme.

With reference to your letter No.L.8092/ITB.11-55-123 dated 4-10-55 regarding the above, I write to state that out of 8.03 guntas of dry land in S.No.3/2A (unconverted--notified for acquisition as per notification dated 10-2-50) an extent of 6.91 guntas only was taken possession of by the Board on 12-9-50 for the above purpose and the remaining extent of 1.12 guntas is still in the possession of the Party. For this extent the Party will have to pay conversion fine and I am requesting the Deputy Commissioner, Bangalore District, to recover the conversion fine from the party for this bit of land. As this has to be withdrawn from acquisition proceedings, I am submitting herewith draft withdrawal notifications for publication in the Gazette, as this bit of land is no longer required by the Board.

As directed in Government Order No.L.8014-10/ITB.15-50-7 dated 11-11-50 no cash compensation could be given for the area taken possession of and adequate extent of land in exchange out of S.No.4 of Bhogenahalli Village had to be given to the Party. No award in respect of the land taken possession of could be passed in view of the fact that the exact extent of land to be given in exchange had not been fixed. As explained in the penultimate para of my letter of 11th August 1955 the question of grant of land in exchange has to be dropped On receipt of orders from Government I shall direct the Special Land Acquisition Officer to proceed with passing the award in this case

for payment of cash compensation.

As the land has been taken possession of so far back as 12-9-50 and the question of payment of interest on the cash compensation from that date will arise, I request early orders in the matter

Yours faithfully,
